# GOSPEL PARTNERS NEEDED NOW!

## UKRAINE IS NOT GOING AWAY

While many of us are war weary, the people in Ukraine are even more so. But they continue to fight and struggle on. The Carter Report and supporters will continue to stand with them. We are dedicated to help share the LOVE OF CHRIST among the victims of this hellish war. Your gift at this time will help keep the LIGHT SHINING IN THE DARKNESS. *"Please don't forget us,"* is their cry.

## THE REST OF THE WORLD

The Carter Report is now seen around the world on 3ABN, various streaming services (AppleTV, Roku, FireTV) and SAFETV. Your gift is needed to help bring the MESSAGE OF JESUS CHRIST to the lost and lonely.
