VICTOR CADVEK

1927 - 2023

*Victor Cadvek was
born to American
Communist parents.
This is His story...*

He was raised an Atheist. He lived in Sin City, Las Vegas. His name was Victor. He was an unlikely convert. I had the privilege of baptizing him into Christ.

While Communism is inimical to the American way, there have been tens of thousands of American Communists. Until the full horror of Stalin's bloody purges was revealed, the American Communist Party attracted many to its cause. Communism that promised Utopia and the Workers' Paradise was the product of a German Jew who wrote the Communist *MANIFESTO*.

Karl Marx

I have read Karl Marx's *MANIFESTO* that changed history and the lives of BILLIONS. It is a big lie. He promised a new gospel; he sowed the seeds of death and destruction.

I am no friend of Communism. I have been to Russia and Ukraine FIFTY times, and to China twice. I know Communism's dirty secret: the Atheistic Communists murdered more than FIFTY MILLION innocent people in Russia and Ukraine, and probably FORTY MILLION in China. The Communist Pol Pot savagely killed half the population of Cambodia. Communism is from the Devil. It is the Beast from the Bottomless Pit. Look at North Korea.

Victor was brainwashed by Communist parents. He was taught there was no God. *What hope was there for this sad little American?*

To compound his problem, he lived in Sin City where fornication is fun and repentance is for suckers. Most would have said Victor was beyond Redemption's reach. But that is to deny GRACE.

Samorodkin was the Ex-Secretary of the Communist Party. He was won to Christ by The Carter Report TV program.

One day Victor accidentally stumbled across The Carter Report TV program. He felt strangely drawn to what the speaker was saying and continued to watch it week after week. What the worldly wise would say was heavy and boring, being based on an ancient Book, he found fascinating and soul satisfying. He was won by the story of Christ the God Man and His cross.

The rest is sacred history. Victor called The Carter Report in Los Angeles. He spoke to Susan Piraino who ministered to this lost American Communist. She prayed with him. She sent videos, books and a Bible. **God changed Victor's life. He was justified, redeemed, transformed by grace divine. He rejoiced in keeping the holy Sabbath the Lord's Day.** He requested baptism. That was almost twenty years ago. He traveled from Sin City to the City of the Angels and before a congregation of rejoicing Saints was baptized. He was FULL of joy and gratitude. So were we. Grace had prevailed. Christ had triumphed. Glory! Victor remained faithful unto the end. Of him we say, *"Rest in peace, rise in glory."*

TESTIMONY FROM VICTOR CAVDEK

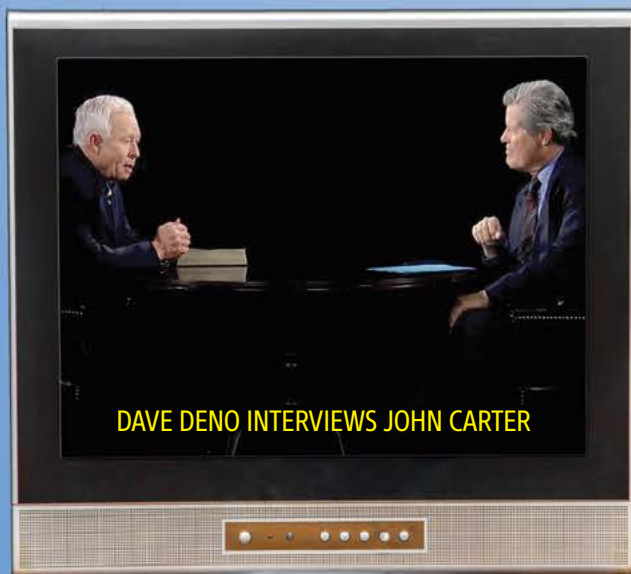

"Dear Susan,

Thank you so much for the copy of The Geneva Bible. I was aware of its place in history. Now I can use it in my studies when I compare some of the original writings with the more contemporary. I've been using the NIV of the Holy Bible since Pastor John Carter baptized me. It's been ten years ago, hard to believe. You and Javier were such wonderful hosts for me on that memorable day.

Every Sabbath, I put on my best suit and tie and watch one of Pastor Carter's DVD sermons, in chronological order of their recording.

I first was introduced to The Carter Report 19 years ago when I was browsing the TV. I came across Dave Deno interviewing Pastor John Carter regarding the Middle East and the Bible. This "meeting" changed my life. What a blessing to make that contact. Thank you also for all your past mailings.

*God bless the Carter Report and their wonderful staff.
Victor Cavdek"*

This program was directed and produced by David Carter with Donn Beagle and The Carter Report television crew.

Victor the ex-Communist supported the sacred cause of evangelism until the close of his life. He helped to keep the flickering torch of truth burning in Ukraine and elsewhere.

Victor will ever be one of my heroes. He is one reason why we keep soldiering on. He was living proof that evangelism works. He is one of the reasons we broadcast the Message of Salvation on television. Hopefully, Victor will inspire you dear friend to keep on keeping on.

I rest my case: Jesus saves and the preaching of the Gospel is powerful and effective. Please encourage my old heart, and write soon.

With thanks and blessings,

P.S. Your help is needed now for many Victors. Please write to me.
