

WHAT SHALL WE TELL OUR KIDS ABOUT SEX?

If you are a parent, grandparent, or college student, this is a must-read.

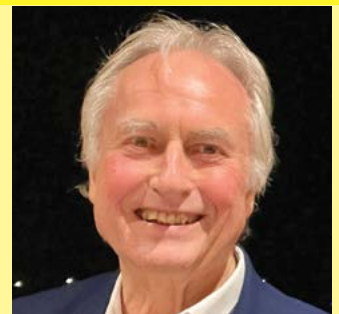

Beverley Carter (mother and grandmother) talks to her husband, John Carter (father and grandfather).

Beverley: *I know you are a minister of God who prays for grace to teach the Truth. What do you think about the great SEXUAL REVOLUTION?*

John: We are witnessing Satan's final attempt to destroy the family and, with it, the human race. The radical Liberal lawless agenda that is taking over America and her allies is supernatural in origin. It originated with Lucifer, the powerful fallen leader of the hosts of heaven. Lucifer hated the fact that humans, in the image of God, had the power to create other humans like themselves. He and the angels are sexless spirits and cannot create. They are consumed by jealousy and hatred of Christ and human beings.

Beverley: *What do you make of parents who leave it to their children to choose their own sex?*

John: It is rebellion against the Law of the Creator. One large hospital refuses to tell the sex of newborn babies: "Your baby will need to decide its sex as it grows up." Remember what Professor Richard Dawkins, no friend of Christianity, said: "If you are born a male, you will die a man. If you are born a female, you will die a woman." Richard is right. So everyone thought, for thousands of years.

Beverley: ***What about sex change operations? Should parents be told if their teenage kids want to change their sex?***

John: The radical godless agenda must be resisted. In kindergarten, in the schools, on school boards, wherever they are working to destroy the home. A sex change operation is very disfiguring and very permanent. Kids often bitterly regret their decision later on when reality sinks in. Mutilating a girl and feeding her with male hormones is a radical departure from the plan of God. What will a girl do when she decides she made a mistake and wants her body back? What will a boy do when he changes his mind? Nothing should happen without the involvement of the parents, the respected family doctor, and a wise Bible-believing pastor. Resist intolerance and brainwashing. Trust and obey God.

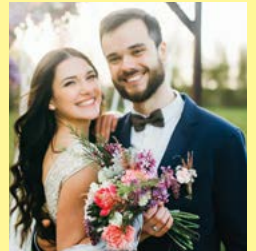

Beverley: ***Why do so many young people commit suicide or make the attempt?***

John: They don't know who they are, where they came from, or where they are going. Young people are having their faith ripped out of their souls. We are doing worse things to our kids than the Communists did. Kids will continue to commit suicide.

Beverley: ***Will you define marriage?***

John: I'll leave that to God. The Bible clearly defines marriage: "A man shall leave his father and mother and be joined to his wife... in the beginning God made them male and female." Read for yourself Genesis 1:27; Genesis 2:24; Matthew 19:4-6. By God's grace, I'm not in the business of twisting the Bible to suit myself, or anyone else.

Beverley: ***Don't you know that some in our church, in our colleges, and in our schools disagree with you?***

John: I really don't care too much what some politicians, preachers, and philosophers teach. I would be afraid to twist and hide the Word to keep my job and to please people who blow whichever way the wind blows. That's how it is today.

Beverley: ***Why do so many go with the crowd?***

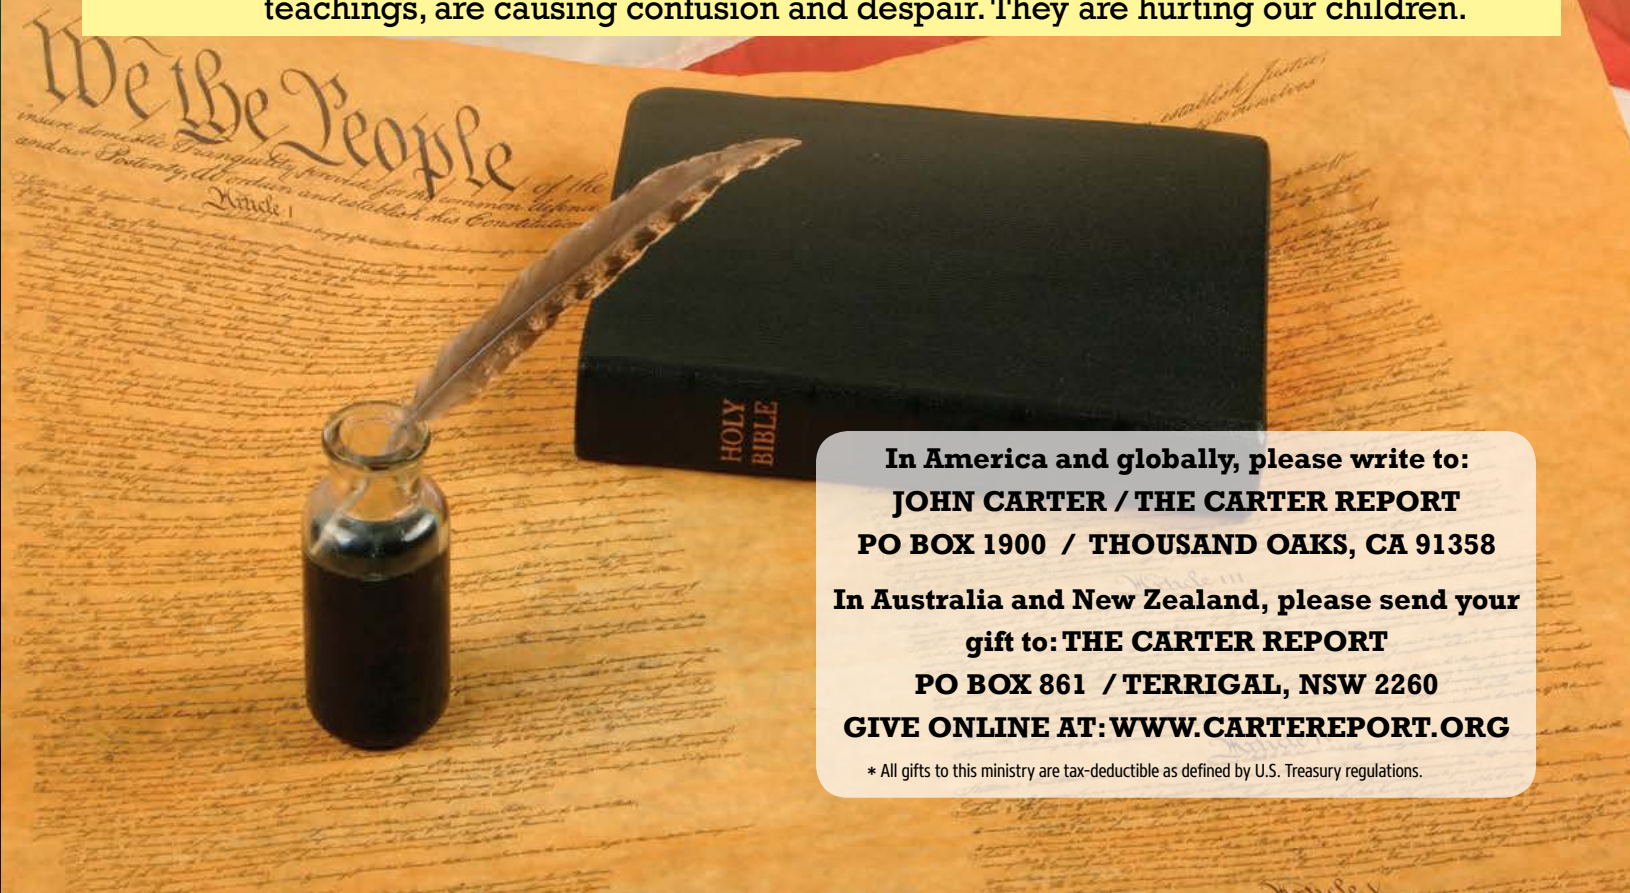

John: Because of pride, weakness, and fear. These are the sins that keep people from being saved. There is a woeful ignorance of the truths of the Bible. How many people do you know who read their Bibles every day?

Beverley: ***Do you think that politicians have helped corrupt society?***

John: President Clinton sponsored DOMA, the Defense of Marriage Act. He preached that marriage was between a man and a woman. But he and Hillary threw that to the wind when politics demanded it. Sad. President Obama entered the White House defending traditional family values, but soon threw God's Word out the window for votes. He became militantly opposed to the Word of God and lit up the White House with the colors of the Rainbow Coalition. He was a great orator who dug a hole in the dam of Truth. Since then, that hole has become a raging river, with everything permissible as old truths were swept away. President Joseph Biden, the great Catholic, who rejects Catholic teachings on abortion and marriage, became the champion of all things opposed to the Bible and traditional American family values. He has continued to drive nails in America's coffin. I am not saying these are bad people. I am saying they have made terrible decisions that are destroying the America we love.

Beverley: ***Is America experiencing a moral fall?***

John: Absolutely. Lying is often the accepted form of speech. Crime is out of control. Look at downtown San Francisco, which we have visited fifty times. A great and beautiful city is being dragged down to the Bottomless Pit. The Liberals are responsible. The rejection of the Ten Commandments and the Bible is the root cause of America's troubles. Preachers and politicians, with their false teachings, are causing confusion and despair. They are hurting our children.

Beverley: *What will you tell the people about homosexual practices?*

John: I don't need to. Homosexuals are loved by God. But remember what Jesus said, "*In the beginning God made them male and female.*" I am not here to condemn or to affirm our gay friends. But I point you to Scripture. Read Romans chapter one and realize that God inspired these words. Don't tear pages out of the Bible because it doesn't suit the agenda of *Political Correctness*. If we tear pages out of the Bible, God will take our names out of the Book of Life.

Beverley: *Do you see the judgments of the Almighty coming?*

John: God used Babylon and other nations to chastise and punish His people when they rebelled against His Word. Once the hand of the Almighty was stretched out to protect America, Britain, and other nations that defended the Word of the Lord. But now His mighty hand is being removed as these nations repudiate the holy Commandments of God. So taught Billy Graham, and for a while, his voice was heeded. But no longer. Today, there is a race to applaud the sins of darkness. Russia, China, North Korea, and Iran are uniting to destroy America. The barbarians are at the gates. Unless there is a return to God, as Billy preached, there will be widespread devastation. Think about what happened to Sodom and Gomorrah. You and I, Beverley, have seen the ash of that conflagration when we visited the south-eastern area of the Dead Sea.

Billy Graham

Beverley: *What word do you have for parents?*

John: Resist evil. Protect your children. Send them to schools where the Commandments are taught. Have family worship. Stay sweet. Don't attend a church that has surrendered to the Devil. Read your Bible every day. If you can't find a godly school, homeschool your kids. Never forget: We are on the winning side. Jesus is coming. Jesus is Lord.
