WORLDWIDE UPDATE

PROPHETIC NEWS

HOPE IS ALIVE AND WELL IN KIEV

Many thousands have died in Ukraine. Casualties number in the hundreds of thousands. But HOPE TV is still alive. In spite of overwhelming odds,

THE CARTER REPORT HOPE TV CENTER continues to preach Christ to the hungry masses.

UKRAINE FIGHTS FOR FREEDOM

When Ukraine gave up her nuclear arsenal, her independence was guaranteed by both Russia and America. She now is fighting for her survival. The Carter Report continues to work in Ukraine. We are determined not to forsake God's suffering people. Please stand with us.

A LIGHT SHINES IN RUSSIA

God has His people in Russia. The 3ABN Center in Nizhni Novgorod continues to shine a light across that vast land. The team in Russia is engaged in one great work: they are sharers of the grace and love of God. The Carter Report continues to support them. They are the fruitage of the great Carter Report Campaign of 1992. Glory be to God.

AMERICA PLAYS TOUGH COP AND PEACEMAKER

The USA used its super stealth bombers to derail Iran's ambitions to become a nuclear power. The President is dealing with leaders who are masters of intrigue and ingenuity. Israel is a major nuclear power and fears a nuclear-armed Iran. Donald Trump will need more than the Art of the Deal to find common ground. He needs our prayers. Please pray for him.

IRAN AND ISRAEL RESPOND TO THE U.S.

President Trump has brokered a peace treaty between Iran and Israel, two nations with a long history of animosity. Whether the ceasefire holds will depend on the goodwill of the leaders, a quality that is conspicuous by its absence. President Trump has shown resolution and imagination. He will need lots of it—with a large dose of patience.

EVANGELICALS MISUNDERSTAND BIBLE PROPHECY

American Evangelicals have difficulty understanding and accepting the plain New Testament teaching that God's kingdom consists of people in every nation. Jesus taught that

all who accept Him are part of His family. Nationality no longer is the deciding issue; citizenship in the kingdom of the Son of God is what counts. God has His children in America,

Australia, Britain, Canada, Mexico, Israel, Iran, China, Iraq, France, Germany, Palestine, and wherever men and women trust in Jesus for salvation.

CHRISTIANS FIGHT TO SURVIVE IN THE WEST BANK

It is estimated that 50,000 Christians live in the West Bank, where their lives are in daily jeopardy as Israel wages war against Hamas. Israel now rejects the two-state solution, a policy that has been supported by successive US government administrations. Please pray for our brothers and sisters in the Lord Jesus. Pope Francis called a small Christian Church in the West Bank every evening to pray for the congregation.

THE GOSPEL GROWS IN CHINA

China may even now be the leading center of Christianity. It is estimated that more than 100,000,000 Chinese now embrace the Christian faith. Nothing can stop the tide of God's grace and power from coming in.

END TIME PROPHECIES ARE BEING FULFILLED

The nations are angry, and thousands of nuclear missiles are armed and ready to go. Great social changes are taking place. Great natural disasters are increasing in intensity as Planet Earth registers her outrage. False prophets deceive the masses, and SPIRITISM is even invading churches. God's clock is ticking. Who is listening?
